

THE OCEAN RESIDENCE

A family-run property, The Ocean Residence Langkawi is a boutique hotel that is all about making its guests feel at home. The ocean front villas have been built with Malaysian Kampong style in mind to promote traditional ways of living on the island. The resort grounds boast one of the finest selections of pools on the entire island!. The Ocean Residence required furniture made of natural tropical materials that could enhance the guest's experience and go well with their theme.
