

# THE PULAI DESARU RESORT AND SPA

PULAI Desaru Beach Resort & Spa lies in the heart of Desaru, Johor, one of the most beautiful unspoiled beaches in the east coast of Peninsular Malaysia. With a 22km stretch of uninterrupted beach, Desaru combines the captivating panoramic views of the South China Sea with the lush tropical rainforests, where visitors can have their choice of fun and adventure or simple rest and relaxation. On this project, we worked with one of the top architects in Malaysia through a contractor awarded the tender for refurbishment of the Pulai Desaru Resort and SPA. Using Top of the range materials, such as Stainless Steel grade 304, Premium grade Teak wood, Viro Synthetic Fibre, we were able to build on the architect's concept and customer's values into stunning furniture, products with both internal and external integrity, giving birth to our Accura Collection.
