

DANISH DINING CHAIR

DA-DC-STW

DESCRIPTION

The Danish dining chair is a classic and elegant piece of furniture known for its simplicity and functionality. Typically crafted from high-quality Teak wood, these chairs are durable and have a natural, warm appearance. The seat is made of 15 MM WIDTH VIRO POLYPEEL material, which is a synthetic rattan-like material that adds comfort and texture to the chair. One of the defining characteristics of Danish dining chairs is their clean lines and minimalistic design.
