

NUSA 3 SEATER SOFA

N3S-STD-ROPE

DESCRIPTION

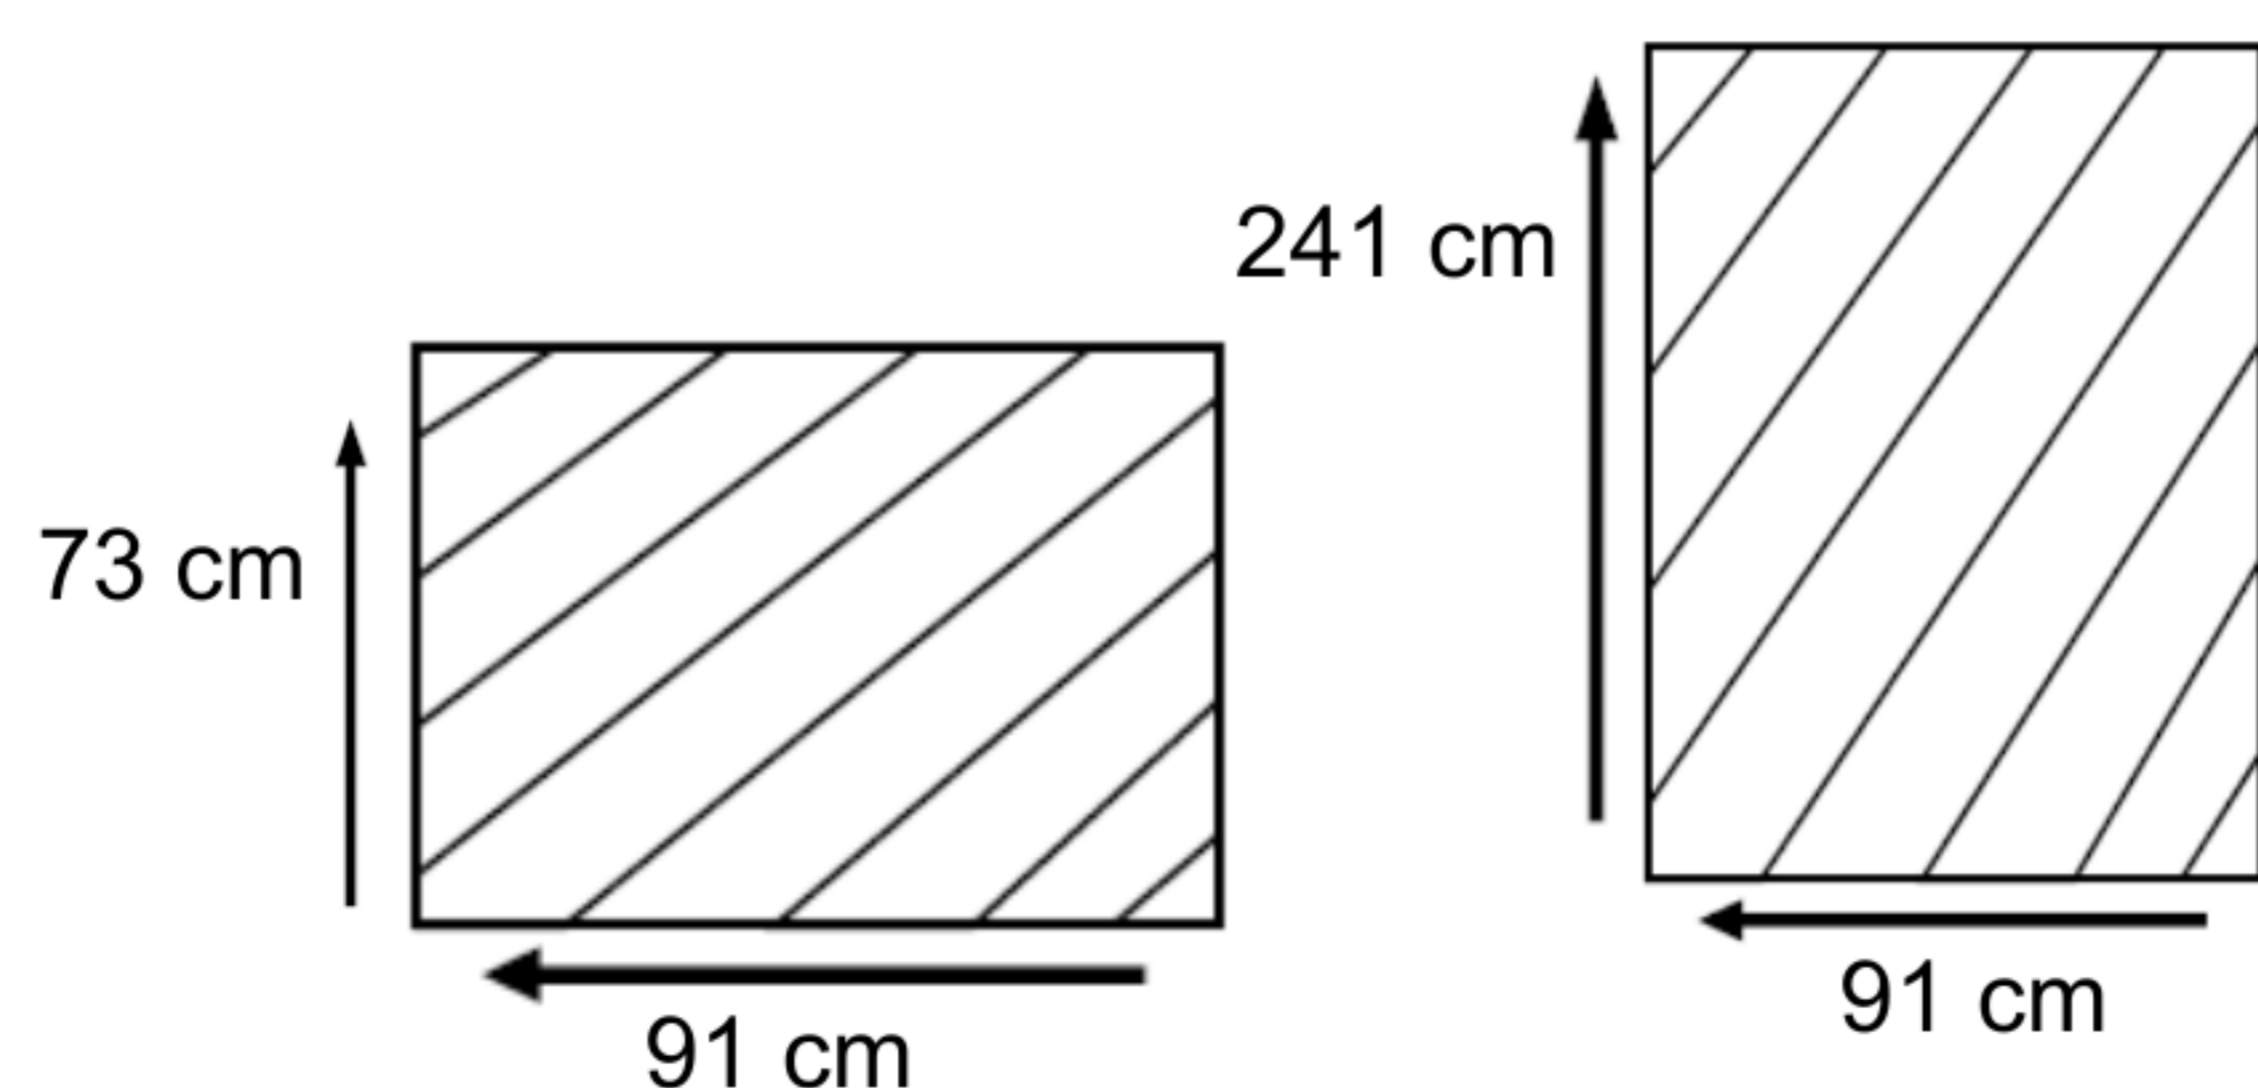

The NUSA 3-Seater Sofa combines timeless elegance and modern durability, featuring a robust base crafted from premium A Grade teak wood with internationally compliant moisture content (MC). The upper part showcases intricate twisted synthetic hyacinth weaving over a lightweight aluminium frame that is powder-coated for added protection and a sleek finish. This sophisticated sofa offers superior comfort while enhancing any living space with its unique blend of natural aesthetics and contemporary design.
