

SHIZU DINING CHAIR

SH-DC-STW

DESCRIPTION

The Shizu Dining Chair is a stylish and functional piece of furniture designed for use in dining rooms, homes, and commercial spaces. The typical design of this chair incorporates Teak wood, a durable and beautiful material, giving it a classic and elegant appearance. The chair also features 40 MM strapping in a sleek black color, arranged in a 1x1 webbing pattern, which adds a contemporary touch to its overall look.
